NORWICH BULLETIN, WEDNESDAY, APRIL 20, 1910

Health and Sanitation of Norwich
Subject Considered at Board of Trade Meeting and Many
Valuable Ideas Advanced—Efforts for Tuberculosis
Camp to be Made—Addition to Backus Hospital.

Buckingham Memorial held a good
sized crowd on Tuesday evening at the
April meeting of the board of trade,
for which the subject was Health and
Sanitation of Norwich. Seven doctors
took part in the discussion and there
were many valuable ideas advanced,
some of which will probably be put in-
to effect very soon. Following the
meeting there was a suggestion that
the tuberculosis camp idea should be
taken up and an effort made to secure
as soon as possible, but it is probable that
some public meeting under the board's
auspices will be held. This was added
to the program for the spring vacation of a
week.

The New London Globe says: Mrs.
